Summary of Legislation

[Senate Bill 23-167](#) added a member to the state board of nursing under the Department of Regulatory Agencies (DORA). The bill removes a reference to size of the board that was inconsistent with this change.

Assessment of No Fiscal Impact

The bill makes a technical correction in statute to conform with recently passed legislation. Since the new member has already joined the board, the bill does not change the revenue, workload, or expenditures in DORA. As a result, the bill is assessed as having no fiscal impact.

Effective Date

The bill was signed into law by the Governor on June 7, 2024, and took effect July 1, 2024.
